

## **Your Filipino Professionals Association**

### **Mission**

YFPA believes in developing relationships. Everyday we strive to connect, educate, and serve because we want to engage and empower young Filipino professionals.

### **Start Date**

Founded in 2002

### **Address**

San Francisco Bay Area

### **Short Description**

Our core values are: "Connect. Educate. Serve."

### **General Information**

Your Filipino Professionals Association (YFPA), a 501(c)(3) non-profit organization, was launched in 2002 as a collaborative forum for Filipino-American professionals in the San Francisco Bay Area to connect, collaborate and support professional networking, educational and community service activities.
